- Created in 2002 by the Museum of Contemporary Art of Lyon, with support from the Région Rhône-Alpes, *Rendez-vous* is an international platform dedicated to young creation, that has associated in a first for France, four institutions: the Biennial of Lyon, the Museum of Contemporary Art of Lyon, the Institute of Contemporary Art, Villeurbanne/Rhône-Alpes and the National School of Fine Arts of Lyon, that make up its artistic direction.

Made possible by the complementarity of these institutions, *Rendez-vous* proposes to reinforce the connections between different domains of competence, in this way opening increased perspectives to the chosen artists.

Since 2009, ten curators from ten international biennials have been invited to contribute to *Rendez-vous*. Each edition is the opportunity to invite new biennials.

- A biennial exhibition... that takes place each year: *Rendez-vous* is exhibited at the IAC during the Biennial of Lyon, and the following year, in a different form, outside of Europe. So in 2008, *Rendez-vous* was presented in the Shanghai Art Museum, with residencies in Moscow, Peking, Miami, and Buenos Aires; in 2010, *Rendez-vous* participates in the Biennial of Shanghai; in 2012, *Rendez-vous* was presented in the South African National Gallery of Cape Town; and in 2015, *Rendez-vous* is exhibited at the Institute of Contemporary Arts Singapore, LASALLE College of the Arts.

Rendez-vous Singapore :

- 10 French artists, or artists living in France
- 10 artists proposed by 10 biennials around the world
- 5 Singaporean artists proposed by the Institute of Contemporary Arts Singapore
- 1 invited graphic designer

- Though the confrontation of places and cultures may not be anything new, *Rendez-vous* allows 25 artists to benefit from a first important exhibition in a renowned institution by way of an international dialogue, with each edition being more fruitful than the last.
